Premium Stainless Steel Gas Grills by Eden Arts  
The Eden Flame 4 & Eden Flame 5 are premium gas grills from Eden Arts, designed for customers who want more than a standard BBQ grill. Built from durable SS304 stainless steel, the Eden Flame Series combines strength, modern design and versatile outdoor cooking performance.

Whether for a private home, terrace, garden, pool villa, restaurant, hotel or custom outdoor kitchen, these grills are made for serious cooking in Thailand's outdoor lifestyle.

With powerful gas burners, a large cooking area and a solid stainless steel construction, the Eden Flame grills are perfect for steaks, burgers, sausages, seafood, vegetables and classic BBQ dishes. The clean design, premium materials and practical features make them ideal for both everyday grilling and entertaining family, friends or guests.

The Eden Flame 4 is available as a built-in grill for custom outdoor kitchens or as a freestanding model with stainless steel cart.

The Eden Flame 5 offers even more cooking space and power, making it a great choice for larger families, pool villas, restaurants and outdoor cooking projects.

Optional accessories such as Sear Burner, Rotisserie Kit, Plancha Plate, Pizza Stone, Charcoal Tray, Smoker Box and Protective Cover give you even more cooking possibilities – from steakhouse-style searing to rotisserie chicken, plancha cooking, pizza baking, charcoal BBQ flavour and light smoking.

Eden Flame – Built to Grill. Made to Impress.
